From

K. MATTHAN, ESQ., B. A.
Food Controller & Director of Civil Supplies in Mysore.

C. S. Balasundaram Iyer, Esq., B.A.,
Chief Secretary to the Government of Mysore.

Sir,

I have the honour to state that in view of the improved seasonal conditions both in the State and in the adjoining British Provinces, there does not appear to be any longer the necessity to continue the restrictions on the movement of foodgrains to andin the belt of ten miles from the frontier of the State. It was always felt that these restrictions involved a considerable amount of inconvenience to the people living near the frontier of the State and several of the Deputy Commissioners have urged their cancellation, but this was not possible hitherto as the temptation to smuggle foodgrains across the frontier has till now been very strong. The seasonal conditions have now so far improved that these restrictions may be safely relaxed. I would, therefore, recommend the cancellation of Notification No.G.17573-P.P.134-18-299 dated 17th February 1919 as well as of the rules which it superseded viz., paras 2 and 3 of the rules issued with Notification No.G.9337/P.P.134-18-21 dated 23rd November 1918.

2. At the last meeting of the Central Food Supplies Committee the question whether the frontier patrol police establishments could not be dispensed with was

was raised and it was considered that the police establishment should be maintained as long as the prohibition of exports continued.

I have the honour to be,

Sir,

Your most obedient servant,

Food Controller & Director of Civil Supplies in Mysore.
